## He is Risen Indeed!

**The Softball Game for tomorrow in Winona, Tuesday April 18th has been cancelled.** Stay tuned for re-scheduling information.

**Morning School Drop Off Change:** Starting today, Monday, April 17th there will be a change in the drop off schedule before school starts. Mondays, Wednesdays, & Fridays we will be in the gym. Tuesdays and Thursdays will be outside (weather permitting). Please have your child/children dress for the weather on Tuesdays and Thursdays.

**Fish Fry & Auction Fundraiser Update:** We are down to the last few days before the Fish Fry! Please use the sign-up link to see where we still need help. There are a lot of openings that need to be filled to make this event successful. Also, please come to enjoy the food, the company, and bid on some really great auction items!

**Softball Concessions:** The PTL is so happy to have all these kids participate in softball this season! We ask that each family signs up to help with at least one shift of concessions. The money raised through concessions helps cover extra expenses of the sport and provides thank you gifts for the coaches. In addition to these things, the profit from concessions will help pay for all our coaches to be CPR and First Aid Certified in the near future. We truly appreciate all the help! You will also be able to see the games from where the concessions are located. Please see the attached link to sign up to help.

**Elgin Cheese Days Button Contest:** It's that time of year again! We continue to have great response to the Button Design Contest so the Elgin Cheese Days committee is holding another "Button Design Contest" to design the Elgin Cheese Days buttons for 2023. PEM and ILS students grade K-12 are welcome to design a button that will get voted on by the public and the winner will receive a prize package including \$100 cash and be invited to walk in the Elgin Cheese Days Grand Parade to hand out the 2023 buttons! Students that would like to participate can turn in their entry forms to the Immanuel School office. All entries are due by April 28th. ~Andrea Olson, Elgin Cheese Days Committee

Notes from Mrs. M & the Library!

### What We are Learning!

**Preschool 4's:** I read another of Leo Lionni books to them. A fish is a fish. In this story a fish and a tadpole are friends. The tadpole changes into a frog and the fish is still a fish. The frog tells of his travels and the fish wants to do the same but runs into a trouble.

**Preschool 3's:** I read the story God gave us Easter. We talked about Jesus was born on Christmas to die on the cross for us. He did this so we could have forgiveness and life eternal.

**Kindergarten:** We are learning about the author Eric Carle. He is an author and an illustrator. He liked using tissue and paint to do his illustrations. I read the story The Grouchy Ladybug. We made a page about that book.

**1st Grade:** We will finish doing our informational report about the Burrowing Owl.

**2nd Grade:** They will finish their report about the Loon today.

**3rd Grade:** We will work on their book report for realistic fiction and begin a unit on fact or opinion.

**4th Grade:** They will be starting a unit on poetry. We will talk about what poetry is and some of the types of poetry. We will start with acrostic poems. They will also read a poetry book for a book report.

**5/6 Grade:** They are reading their books and some of them have are taking notes on the chapters they have read.

**7/8 Grade:** They worked on their book jackets.

Why did the police officer give the librarian a ticket?

Because she was speed reading.
