HOW WILL THIS WORK?

When you agree to Adopt-A-Student, you are agreeing to a one time payment of \$90 toward a child's tuition at Immanuel Lutheran School. With hopes of every child being "adopted", the purpose is to help with rising tuition costs for every family. Some students and families may not be able to attend or continue on at ILS without some help financially.

"At Immanuel, my children are growing into well-rounded individuals, grounded in strong values and a personal understanding of Jesus."

Becky, ILS Parent

"My children experience an atmosphere that encourages learning not only in academics, but also in their faith in Jesus."

Kayla, ILS Parent

"Attending Immanuel provides my children with a Christ centered education and small class sizes. Immanuel has given my children the opportunity to thrive as they grow and learn."

Chantel, ILS Parent
