Notes from Mrs. M & the Library!

What we are learning!

PK 4: I read the book Everybody's Tree. This book is about a family sharing one of their trees so everybody could see the beauty of the tree.

PK 3: I read the book Room for a Little One. This book has all the animals in the stable shared their warm stable with other animals that were cold one night. The last person they shared with was a special person.

Kindergarten: We reviewed the parts of the book that we had talked about before Thanksgiving. They did a worksheet on the 3 basic parts. Then I added some vocabulary words for them. Then I read the book Mr. Willowby's Christmas Tree.

First Grade: They are working on book parts as well. We added the title page and what they would find on it. I showed them the title page on a book and we found the things we talked about.

Second Grade: They continued with task cards that they needed to put into alphabetical order.

Third Grade: They did not have library as there was no school.

Fourth Grade: They did not have library as there was no school.

Fifth/ Sixth Grade: They did not have library as there was no school

Seventh/Eighth Grade: They did not have library as there was no school

Happy Birthday!
