Chapel Offering Nov. 22 - No Chapel

The City of Plainview's Olde Fashioned Christmas is THIS coming Friday, December 1st and Saturday Dec. 2nd. The Immanuel Lutheran Church Board of Youth will be hosting an array of vendors in the Christian Life Center, including a booth for Immanuel Lutheran School, and the Immanuel Lutheran Church Women (ILCW) will be selling and serving delicious food in support of their mission and ministry projects. As attendance is expected to be high, we ask your patience and cooperation as we make a few changes to the traffic pattern for drop off and pick up before and after school. Watch for signs and cones to mark the driving and parking lanes beginning Thursday, November 30th. Thank you for your cooperation as we stay Connected in Christ.

Friday Preschool Pickup: Miss Ginny is requesting parents pick up and sign out their preschool students outside her classroom on Friday, Dec. 1st due to the large amount of traffic expected in the Church parking lot during the Olde Fashioned Christmas craft sale. Thank you in advance for planning ahead.

ILS Craft Show Table: The Immanuel Lutheran School will be selling holiday light-up candles at the Olde Fashioned Country Craft Show this weekend. Debbie Eggenberger has graciously elected to work at the ILS table, but the days get long and she may need some time in the office. If you are able to take an hour shift for her, please let the office know. Any help will be greatly appreciated. All proceeds for the candle sales goes to ILS.

Fundraiser Cookies: There are still some cutout cookies available for sale if you wish to purchase some. They are 5 dozen cookies for \$30. This is a fundraiser for our hot lunch program. You may contact the school office at 507-534-2108 or Jill Hayes at 507-951-6469.

The Food Shelf Table is now set up in the lobby of the Christian Life Center if you wish to donate items to the Plainview Elgin Food Shelf this season. Monetary donations may be brought to the school office, or placed in the offering basket before or after chapel.

The Christmas Choral Concert will be on Sunday, Dec. 10th at 3:00. We ask that each family bring one pan of bars or a dozen or more cookies for the short gathering we have after the concert down in the Church basement.

The Next Father/Daughter - Mother/Son Planning Meeting will be held December 13th @ 6:30pm in the Christian Life Center lobby. Please contact Karla Appel at appel.karla@mayo.edu if you have any questions.

Road Ditch Cleanup – CHAIRPERSON NEEDED beginning 2024. Deb Bigelow will work with you to transition over to be a new leader. A contract will be sent to ILS towards the end of the year to be signed if we want to continue the project twice a year. The Immanuel Lutheran School portion of the cleanup is on highway 42 between Good Shepard Lutheran Church & KBS in Plainview. This would be a great opportunity for families to get a group together. It takes about 1-2 hours to do it, depending how much help you have. You don't have to do all of the cleanup yourself, we just need a **CHAIRPERSON** to organize it. Please contact the office at 534-2108 if you are willing to take on this task.

Notes from Mrs. M & the Library!

What we are learning!

PreK 4: They did a color poem of foods they would see on their thanksgiving table. I read the book *Bear Gives Thanks*. They learned the sign language for Thanks and thanksgiving.

Kindergarten: We will begin another Jordy John story, *The Good Egg*. We will talk about the settings and the characters. They will retell the story. We will discuss how the eggs are different and how they are the same. If there is time I will read *Turkey Trouble*.

First Grade: They will work on things that the an author does. I will pass around a bag that has small things in it and they will tell a story from that bag.

Second Grade: They will review where the table of contents is in the book and what type of book has a table of contents. Then they will learn about the index and where that is, plus what it helps with. They will also do a worksheet.

Third Grade: They are working on a tall tale book report. They will play a game to help them know what is the difference is between the 5 reasons author's write.

Fourth Grade: They will be finishing their encyclopedia unit by looking up a State and finding certain things about that State.

Fifth/Sixth Grade: They started to write their story on a computer. We went through some of the things I will be looking for the story. We reviewed what a hyperbole is and how important it is to the make up of a tall tale.

Seventh/ Eighth Grade: They finished their sections of the
