## Book Nook

Notes from Mrs. M & the Library!

### What we are learning!

**PK 4:** I read the book Sneezy the Snowman. The snowman the children made had some sneezes that the children helped to help feel better. Ask your child what happened when they put him the hot tub.

**PK 3:** I read the book Big Heart. The children in preschool made a big valentine to give away. Ask them who they gave it to.

**Kindergarten:** We talked about how fiction and nonfiction are different. They did a work sheet by themselves. I read the book Love, Splat. Ask them if it was fiction or nonfiction.

**First Grade:** They reviewed what the glossary is and where they can find a glossary. Then they did a worksheet on the glossary.

**Second Grade:** We are learning about what a main point of a story is.

**Third Grade:** They did a work sheet on author's purpose. We played a memory game of author's purpose.

**Fourth Grade:** They worked on their state report. They are using both a book on the state and the encyclopedia.

**Fifth and 6th Grade:** They did a escape room on figurative language. They were put into groups so they could work together. We also reviewed the figurative language before they started.

**Seventh and 8th Grade:** They took the Iowa Basic Test.
