Pick-up for Cookies Has Changed! They will be here **Wednesday, Nov. 22**. Cookies can be picked up from 2:30-5:00 that day. Please use the South door by the playground (PreK doors) and come to the lunch room. If anyone is able to help at 12:30 to sort and bag cookies, please call the school and let us know. Thank you! ~ Mrs. Hayes

Basketball - Practices started tonight from 3-5:00. Please return the student's sign-up form to the school office along with their athletic fee at your earliest convenience. If your child is currently in volleyball and plans to be in basketball, they can hang on to their volleyball uniform since it is the same uniform for basketball.

The City of Plainview's Olde Fashioned Christmas is coming December 1-2, 2023. The Immanuel Lutheran Church Board of Youth will be hosting an array of vendors in the Christian Life Center, including a booth for Immanuel Lutheran School, and the Immanuel Lutheran Church Women (ILCW) will be selling and serving delicious food in support of their mission and ministry projects. As attendance is expected to be high, we ask your patience and cooperation as we make a few changes to the traffic pattern for drop off and pick up before and after school. Watch for signs and cones to mark the driving and parking lanes beginning Thursday, November 30th. Thank you for your cooperation as we stay **Connected in Christ**.

A Letter from Mrs. Hayes in the Lunchroom: Thank you to everyone who donated to the hot lunch program this fall. Your donations have helped the program out greatly! Without your help we could not make it. Just to see all of the people that helped and donated means a lot to me and knowing that there are so many of you that want to see this program be successful. Thank you from the bottom of my heart and from the students and staff as well.

Cheerleading starts next Monday, Nov. 27th. Please make sure permission slips are turned in **by tomorrow**. A copy is attached.

Fundraiser Cookies: There are still some cutout cookies available for sale if you wish to purchase some. You may contact the school office at 507-534-2108 or Jill Hayes at 507-951-6469.

The Food Shelf Table is now set up in the lobby of the Christian Life Center if you wish to donate items to the Plainview Elgin Food Shelf this season. Monetary donations may be brought to the school office, or placed in the offering basket before or after chapel.

The Next Father/Daughter - Mother/Son Planning Meeting will be held **December 13th @ 6:30pm** in the Christian Life Center lobby. Please contact Karla Appel at appel.karla@mayo.edu if you have any questions.

Road Ditch Cleanup – **CHAIRPERSON NEEDED** beginning 2024. Deb Bigelow will work with you to transition over to be a new leader. A contract will be sent to ILS towards the end of the year to be signed if we want to continue the project twice a year. The Immanuel Lutheran School portion of the cleanup is on highway 42 between Good Shepard Lutheran Church & KBS in Plainview. This would be a great opportunity for families to get a group together. It takes about 1-2 hours to do it, depending how much help you have. You don't have to do all of the cleanup yourself, we just need a **CHAIRPERSON** to organize it. Please contact the office at 534-2108 if you are willing to take on this task.

Notes from Mrs. M & the Library!

What we are learning!

PreK 4: They did a color poem of foods they would see on their thanksgiving table. I read the book Bear Gives Thanks. They learned the sign language for thanks and Thanksgiving.

Kindergarten: We will begin another Jordy John story, The Good Egg. We will talk about the settings and the characters. They will retell the story. We will discuss how the eggs are different and how they are the same. If there is time I will read Turkey Trouble.

First Grade: They will work on things that the an author does. I will pass around a bag that has small things in it and they will tell a story from that bag.

Second Grade: They will review where the table of contents is in the book and what type of book has a table of contents. Then they will learn about the index and where that is, plus what it helps with. They will also do a worksheet.

Third Grade: They are working on a tall tale book report. They will play a game to help them know what is the difference is between the 5 reasons author's write.

Fourth Grade: They will be finishing their encyclopedia unit by looking up a State and finding certain things about that State.

Fifth/Sixth Grade: They started to write their story on a computer. We went through some of the things I will be looking for the story. We reviewed what a hyperbole is and how important it is to the make up of a tall tale.

Seventh/ Eighth Grade: They finished their sections of the Dewey System and handed them in.
