Softball: Wow! It's hard to believe that the softball season is already over! Despite the challenges with the weather, the students were able to get in some of their games at the softball tournament. It was fun to watch both the B and the A teams and see the improvement from one game to the next! The A-team ended the season with the conference tournament at RCLS this past Saturday with a tie for 5th place. Now that the season is over, please turn in your softball jersey to Ms. Schroeder as soon as possible. Great job everyone!

Notes from Mrs. M & the Library!

What We are Learning!

- PreK 4:** They are finishing up our Leo Lionni books. We learned that authors can be illustrators too. Today they gave their opinion of which of the 5 books I read was their favorite. We also remembered that Leo got a medal for one of his books that had beautiful pictures. Then I read Bubble Gum, Bubble Gum.
- PreK 3:** We read the story In The Tall, Tall Grass. We talked about all the animals that have their homes in the grass.
- Kindergarten:** We are finishing up our study and book from Eric Carle. I read the book Little Cloud. Then they made a picture to go with it.
- First Grade:** They will start to work on their book report for the Tall Tale that they read.
- Second Grade:** They will begin their book report on the Fairy Tale they read.
- Third Grade:** They are awesome knowing what is fact and what is opinion. They did another work sheet. Next week they will make sentences for a word that are either fact or opinion.
- Fourth Grade:** They rewrote their Haiku poem. This poem has no capitals so it was a challenge. Next, we worked on a color poem using their five senses.
- Fifth/Sixth Grade:** Some of them handed in their rough draft and we edited them. Some are finishing up their rough draft and some are finishing the book.
- Seventh/ Eighth Grade:** Found a book and had quiet reading time.

* Just a reminder, school is almost done.

ALL books need to be turned in by May 27th.*

Why did the police officer give the librarian a ticket?
Because she was speed reading.
