Aaron and Andrew would also like to find a couple of other parents and/or siblings willing to help out during practices. If you or someone you know are interested, have them contact one of the coaches, or Ms. Schroeder at: dschroeder@immanuelplainview.org.

Jersey Reminder: Per Ms. Schroeder, this is a reminder that if you have not turned in your student's jersey from volleyball, please do so as soon as possible since we will be using the same jerseys for basketball and want to have enough for all our students. If your child will be playing basketball, they can hold on to their current jersey.

Note from Mrs. Hayes: Thank you to everyone who donated to Hot Lunch program this year. Your gifts have been a great blessing. They have and will help the program greatly. The students and staff will have a very nice Thanksgiving Lunch because of your donations. I cannot say thank you enough! Thanks ~Mrs. Hayes.

Notes from Mrs. M & the Library!

What we are learning!

PK 4: I read the book T is for Turkey. We talked about the Pilgrims celebrated thanksgiving first. We also talked about how the Indians and Pilgrims became friends.

PK 3: I read the book Giving Thanks. We talked a little bit how we need to thank God for all the things He does for us and gives us.

Kindergarten: We talked about books and what they have in them. We reviewed characters and settings. Then we added the problem and the solution ideas to the book. I gave them pictures to sort into conflict (problem) and into resolution (solution). Then we talked about how some problems we can solve and those that we need help with.

First Grade: They continued to work on alphabetizing. We reviewed how the alphabet never changes. They worked on their own worksheet.

Second Grade: They reviewed the alphabetical order and where it is all used. They then did task cards and put the words into alphabetical order.

Third Grade: Some worked on their book reports. We reviewed the reasons why authors write books. Then they had to cut and paste some books or ideas into the areas that we had discussed.

Fourth Grade: They reviewed the things they would find in the encyclopedia. Then they found the volumes they needed for the answers on their worksheet.

Fifth/ Sixth Grade: We looked at the last figure of speech allusion. This means connecting the thought to a event, object, historical person. They did an idiom worksheet.

Seventh/Eighth Grade: They worked at finishing the scavenger hunt.
