Valentines Day is Tomorrow! Classrooms will do an exchange and celebrate with treats and games. Each class will have their own celebration, so check with your child's teacher if you have any questions.

Hearing and Vision Screening is this Thursday. All students in K-8 will have hearing and vision screening. You will be notified if there are any concerns. If you have any questions, please contact Michelle MacPherson at macpherson_michelle@hotmail.com.

PJ Day: Mrs. Hayes has decided to make this coming Friday, Feb. 17th to be another "PJ Day!". This will once again be a fundraiser for the hot lunch program. Each student that wishes to participate can bring \$1.00 to wear their PJs for the day.

Movie Day: will be this Friday afternoon as well. The movie is to be decided by vote. Students will be spread out in the gym and we will all watch a movie together, so students should bring a blanket to sit on. The PTL will provide ice cream treats for all!

Plainview Area Youth Night: All Youth from Grades 5th-12th are invited to the annual Plainview Area Youth Night held here at the Immanuel CLC from 6pm-12a.m on Sat. Feb.18th. Please sign up today and invite a friend!! A QR code to sign up is on the attached flyer. This is a fun night of various games and activities, worship with a full band, Tacos and snacks. We had over 130 youth attend last year, and it is going to be bigger and better this year!

The Wind Symphony Concordia University Chicago Wind Symphony will be on spring tour at Trinity Lutheran Church in Rochester, on March 4th at 7 pm. This would be a great concert for families or anyone interested. There is no cost to attend, but the college does pass a free will door offering.

2022 Tuition Statement for Taxes: If you are in need of a 2022 year-end tuition paid statement for a credit on your taxes, feel free to contact the school office.

Extended Care Reminder: Just a reminder that if your family is utilizing before or after school extended care, please let the school or Mrs. Hayes know at least one day ahead of time. This helps with the school's scheduling of caretakers for your children. Thank you so much for your help in making this happen.

Pre-K/Kindergarten Info and Registration Night will be on Thursday, March 2nd from 6:30-7:30. If you happen to know of anyone who might be interested in sending their child(ren) to Immanuel, feel free to share this information. A flyer for more information is attached to this email. Please RSVP to the school office if you plan to attend.

Global Kids Fund: Chapel offerings for the 3rd quarter will be going towards the Lutheran Hour Ministries Global Kids Fund and will benefit the kids in the country of India, which we learned about in our National Lutheran Schools week videos! Chapel offerings can be sent with students on Wednesdays.

Notes from Mrs. M & the Library!

What We are Learning!

Preschool 4's: We read the story Over and Under. This book is about animals that either sleep under the snow or play on top of the snow. This book was introduced as a nonfiction book.

Preschool 3's: We reviewed the reason why we bring books back when they get to take them home. I read the story All are Welcome.

Kindergarten: We talked about what the author has to think about when writing a story. I read the book the Billy Goats Gruff to them. Then we put the right things that needed to be in beginning, middle, end.

1st Grade: We reviewed the parts of a book. Today we learned about the table of contents, where it is in the book and why it is important. Then they did a worksheet about the table of contents.

2nd Grade: We reviewed the dictionary vocabulary words. They continued to finish up the work sheet about the guide words and finding words in the dictionary. They learned that the dictionary can be divided into 3 parts.

3rd Grade: We played a authors purpose matching game.

4th Grade: They learned that there is many things that can be used as reference material. Many things are in alphabetical order.

5/6 Grade: We will play a game to help them remember the 10 areas that are in the Dewey decimal system.

7/8 Grade: They just picked out books to read.
