Notes from Mrs. M & the Library!

What we are learning 5/1/24!

- PreK 4:** I read the story by Kathy-Jo Wargin K is for Kite. This story explores all the things God gives us in Spring.
- PreK 3:** I read Seasons of the Year to them. This books tells us of all the four seasons that God gives us so we can do different things.
- Kindergarten:** We still talking about Jan Brett and her books. Her Easter Egg book gives us a chance to explore the animals that lay eggs and those who don't. We listened to the story Chickens aren't the only ones. Then they did a worksheet on those who laid eggs and then those who don't.
- First Grade:** They checked out books only today as it was an early out.
- Second Grade:** They checked out books only today as it was an early out.
- Third Grade:** They worked with finding words in the dictionary. Then wrote what page it was on and what the two guide words were on that page.
- Fourth Grade:** They looked at their answers. Then they were introduced to the Almanac and shown how different the Atlas and Almanac are. They looked a some of the almanacs that I had..
- Fifth/Sixth Grade:** They finished up the scavenger hunt on the Dewey nonfiction area.
- Seventh/ Eighth Grade:** We went through the papers that they had turned in. I reminded them that they were the teachers looking at what others had wrote and corrected it if they had it wrong. There could be one thing wrong or more. Then I gave them the same type of worksheet for this week.
