Notes from Mrs. M & the Library!

What We are Learning!

Preschool 4's: They saw two books about earthworms. One was fiction which showed a worm with a baseball cap and eyes writing story. The other book was about earthworms and why we need them. The book had pictures taken with a camera.

Preschool 3's: I read the book Pete's New Shoes. In this book every time Pete's shoes change color he doesn't get mad he just changes his song. Ms. K came back and helped us with being kind.

Kindergarten: I read the book There was an old lady who swallowed a clover. We talked about the sequence the book had and how this helped to tell the story.

1st Grade: We are going to be learning about reports. Reports are from nonfiction books. We will be learning a little about owls, especially the burrowing owl. Today we will learn some general things about owls.

2nd Grade: They are also going to learn about reports. They will pick either the Loon or the Opossum to do the report on. I will show them some nonfiction books that could be used for this.

3rd Grade: We worked on Genre Joe's pizza's together. Then we will play a matching game to reinforce genres. They will do a matching report in the genre realistic fiction.

4th Grade: They worked on another map. Next week we will look at some Almanacs.

5/6 Grade: We played Dewey bingo.

7/8 Grade: They used this time to read their book.
