He is Risen Indeed!

Fish Fry Update: We are less than two weeks away from our largest fundraising event of the year (Friday, April 19th) and we need your help! We have many opportunities to get volunteer hours before and during this event. Please see the attached sign-up link to sign up for something to bring, something to do, or both! If you have questions please contact Cally Murphy murphy.cally@gmail.com or 507-273-8901. Thank you!

Doughnuts with a Grownup is this Thursday from 7:00 a.m. to 7:45 in the Christian Life Center. Invite a special grownup or parent to come have a doughnut, juice and extra sweet time with their child before school. Only one adult per student please.

The Annual Spelling Bee will be held this Saturday, April 13th in Winona. Grades 3-8 have been working hard studying their words! We are so proud of our ILS students and know they will do their best!

School Registration: A reminder that this is the last week to get your school registrations in at the discounted rate! Starting next Monday, April 15, 2024 the registration fee will be \$250 per student and \$500 max per family. We encourage you to get your registrations in this week. Forms are attached to this email and are also available on the ILS website where you can pay your registration fees via the Admissions tab. **Your school registration is complete once we receive both the Registration form AND the appropriate registration fee.** If you have any questions, feel free to give the office a call.

Softball Concessions: Thank you so much for those who are participating in softball this season! We ask that each family signs up to help with at least one shift of concessions. The money raised through concessions helps cover extra expenses of the sport and provides thank you gifts for the coaches. In addition to these things, the profit from concessions will help pay for all our coaches to be CPR and First Aid Certified in the near future. We truly appreciate all the help! Please see the attached link to sign up to help.

Notes from Mrs. M & the Library!

What we are learning 4/3/24!

- Prek 4:** I read the story What is Easter? This is the story about the real Easter story. There are lift the flaps pictures. I asked the children what would be under them.
- Prek 3:** I read Minerva Louise and the Colorful Eggs. Minerva is a chicken who lives on a farm. When Minerva was on a walk she discovered colorful eggs and some were blue so she asked her friend to help warm them up. When they went out something had happened to the eggs that Minerva had seen!
- Kindergarten:** We are going to do an author study. The author that we will study is Jan Brett. Jan loves animals and most of her stories have animals in them. Jan is both author and illustrator for her stories.
- First Grade:** We are learning the things that are on the spine of our books. They are learning that fiction books are put in order by the authors last name. The letters that we use are the first three letters in their last name.
- Second Grade:** We reviewed the article that we read last week. Then we answered the questions about the humming birds with complete sentences.
- Third Grade:** We reviewed the fact that the dictionary is a reference book as it gives us grammar, definitions, how to pronounce the word and where the word comes from. This is information we need to know. They also learned the words are in alphabet order, it has guide words, entry words too.
- Fourth Grade:** We looked at two types of maps, political and physical maps. They show different things that they need to know about a country.
- Fifth/Sixth Grade:** We are now learning about Mr. Dewey. He wanted to organize the library to make it easier to find information. He is known for the order of the nonfiction section.
- Seventh/ Eighth Grade:** We are now going to learn how to cite information in a paper.
