School Bus Driver Appreciation is on Wednesday, February 21st. Our Bluff Country School Bus Service has amazing drivers, and they play an important role in the education process of our children. They do a great job bringing our kids to school, bringing them home and transporting our athletic teams, clubs and drive for field trips. Please consider honoring our wonderful bus drivers on Feb. 21st. A few ideas are to wear yellow, give the driver a goodie bag made by your child, give a gift card, or send a letter of appreciation to Attn: PEM Site Manager, 960 N. 10th St, Lake City, MN 55041.

Spring Picture Day is scheduled for April 23rd featuring new choices and new backgrounds. More info to come.

Tom Yennie with Tang Soo Do will be hosting introductory classes for those who may be interested in trying it out. The first session and class starts March 4th so you will want to get registered soon. It is great fun for the entire family. Registration is on the PEM website. A flyer is attached with more information.

What we are learning 2/19/24!

- PreK 4:** I read the book Loads of Love. The theme of this book is that showing love isn't just for Valentines Day. When ever we are kind and helpful we are showing love.
- Kindergarten:** I read the story Ninja Red Riding Hood. We practiced our ninja moves. Then we talked about the opening, beginning, middle and end of the story. I read them a valentine day story Roses are Pink, Your Feet Really Stink.
- First Grade:** They will review character traits that are on the outside and those on the inside. They then looked for the character traits for Mary Lou.
- Second Grade:** They reviewed the character traits and then found the character traits for the Dragon.
- Third Grade:** They will do a worksheet for genres. Then we will talk about the next book report they will do. This book report will be science fiction.
- Fourth Grade:** They learned about their next book report which will be a realistic fiction book. They then did the mystery bags do find the main idea. This is a worksheet for main ideas.
- Fifth/Sixth Grade:** They did a worksheet on Point of view. It is called the Titanic. They needed to answer the author's viewpoint, how the text would be different if told from a survivor's point of view.
- Seventh/ Eighth Grade:** They looked a 12 situations and needed to decide if it was plagiarism or proper use. Then we talked about the difference of Summary and Paraphrasing. We defined what a summary is, what to look for and how to write it.
