If your child will need a ride to and/or back from the game, please let her know that as well. The game is played Underwood Park, and the address is 600 N 10th Street, Lake City.

**Thrivent T shirts**—we have LOTS of Thrivent T shirts to give away! PLEASE contact the office if you'd like some for your family, we have youth sizes and adult sizes. FREE—take one or multiple!

**Father / Daughter Dance** needs more volunteers to join in planning this large event. St. Joachim will no longer be hosting this event, but asked us to take it over. This is a very large community event with the opportunity to be our biggest fundraiser. Please contact Karla Appel if you are able to help. Planning needs to start now, for an event to happen late winter/early spring.

**PTL** PTL is currently in need of a vice president. Your primary role would be to monitor the PTL email and PTL Facebook page. Please contact the PTL if you are interested.

**The cookie fundraiser** this has been put on hold until we are able to find a new cookie supplier. We will update you as soon as we know more.

**Amazon Shoppers!** Please note if you are an Amazon shopper that Immanuel Lutheran has a smile account! Amazon Smile is a way for a portion of each purchase you make to be donated to Immanuel Lutheran. Instead of going to the regular Amazon.com site, start at <https://smile.amazon.com/> and search for us under Immanuel Lutheran Church, Location: Plainview MN. Thank you for supporting us in this way. Please let us know if you need help finding this option!

### Mask Donations

We are asking for donations of the paper style masks in both youth and adult sizes. Students are still masking parodically when in close groupings and we'd like to have some on hand for those who don't have one. Thank you in advance for the help!

We are in need of volunteers to help with events and other ILS related functions. Please see the list of volunteer opportunities attached to this weeks INN email. Thank you!

## LAKESIDE FOODS FIELD TRIP!

## BOOK NOOK!

Notes from  
MRS. MUSSELL &  
the LIBRARY!

Reading is a benefit for cognitive mental stimulation and brain exercise.

Concentrating on words, and the story line helps stimulate your brain. This can help sharpen your mind especially the part of the brain that works with concentration and analysis.

### What we are learning!

- **Preschool/Kindergarten:** Care of books
- **First & Second:** Touring the library
- **Third & Fourth:** Review rules and learning what the letters mean & where books live.
- **Fifth & Sixth:** Order in the library
