Snowflake Ball / Snowball Bash As the Snowflake Ball and Snowball Bash event gets closer, ILS PTL is looking for volunteers to help with the event as well as donations for the event. Please see the sign up link in the INN email for more details. We greatly appreciate any and all help you can provide!

Friday January 14th is another dress up day for the hot lunch program! \$1.00 per participant. The theme this time is summer clothing! Yes flip flops are ok (if you want!). Also please bring enough clothing appropriate for outside recess.

Our 2nd quarter chapel offering will be going to the Plainview Elgin Food Shelf. Students can bring monetary donations to chapel or non-perishable food items. We will have a table in the CLC to collect the food items throughout the 2nd quarter.

National Lutheran Schools week is on the horizon! The dates this year will be January 24th—January 28th. It will be a week of activities including dress up days, penny wars and other fun things to celebrate our great Lutheran school! Watch future INNs for more details.

Mask Update At the January 3rd Board of Christian Education meeting it was decided to keep Immanuel Lutheran School's current adaptation of school policy on masking in place. This policy will then be reviewed again at the next Board meeting on Monday, February 7, 2022. This adaptation is as follows:

All students and staff of Immanuel Lutheran School will be required to wear a face covering (mask) while indoors on site at Immanuel Lutheran School and Church.

(This will include extracurricular school activities while the students and staff are NOT in direct participation—i.e. playing basketball, eating, singing.)

Effective dates: Tuesday, 1/4/2022—Monday, 2/7/2022. The Board of Christian Education will review this adaptation again at their next meeting on Monday, February 7, 2022.

We are nearing 100% in student school attendance, and expect to be there in a few days from now. After nearly two months of quarantines, positive test results, and the many days of many students not being in school, we are excited to have so many students back in the building for in-person learning and would like to not have any setbacks in the upcoming weeks. This policy allows students to remain in school if there is a positive test result in his/her classroom unless that student develops symptoms of Covid-19.

Reading and Hearing stories

Imagination needed to picture places and characters in your head comes from reading and listening to stories. You will start to develop your own theories about what is happening if the story is exciting. This helps you be immersed in fictional worlds which is necessary for the developing minds of children. This can also be a tool for problem solving or dealing with hard situations.
